

HDOA CBB Pesticide Subsidy Program

The Coffee Berry Borer (CBB) Pesticide Subsidy Program was established during the 2014 Legislative Session by Act 105 (HB1514) to assist Hawai'i coffee farmers with the cost of pesticides containing *Beauveria bassiana* (Botanigard® and Mycotrol®) for CBB control.

Coffee farmers may receive annual reimbursements based on a percentage of the out-of-pocket cost paid for these pesticides:

Pesticide costs incurred July 1, 2015 to June 30, 2016 are eligible for 75% reimbursement. Costs from the period July 1, 2016 to June 30, 2019 are eligible for 50% reimbursement.

Annual reimbursement amounts are limited to a total of \$600 per year per acre, and \$9,000 per year per farm. The State fiscal year runs from July 1st to June 30th of each year.

If you participate in programs to receive a reduced price for Botanigard® and Mycotrol®, you may still submit your out-of-pocket expenses for reimbursement through this program.

The Coffee Berry Borer boring into coffee berry. The actual beetle size is about 1.5 mm long.

The program is funded through June 30, 2019 in cooperation with the County of Hawai'i

MANAGE CBB

Reduce CBB

Find up-to-date guidelines in Recommendations for CBB Integrated Pest Management in Hawai'i 2015. ¹

The CBB IPM provides detailed information and answers to many questions you may have on managing CBB, such as:

Why is field sanitation, at the end of the harvest season, the most important step in managing CBB?

What method of pruning is best for CBB control?

What are the benefits of trapping?

When is the best time to apply *Beauveria bassiana*?

What are the best weather conditions for spraying?

What helps control CBB before, during, and after harvest?

The CBB IPM is online at:
<http://www.ctahr.hawaii.edu/oc/freepubs/pdf/IP-33.pdf>
or ask for a copy at the HDOA CBB Program office.

How To Apply

The following documents are required:

CBB Pesticide Subsidy Application Form PPC17-01

This form is available on the Hawai'i Department of
Agriculture website:

<http://hdoa.hawaii.gov/pi/ppc/cbbinfo/>
or email:

hdoa.cbb@hawaii.gov

The form requires your contact information, tax map
key (TMK) number, CBB damage, CBB management
strategies and other information about your farm.

Internal Revenue Service Form W-9 Taxpayer Identification Number and Certification

This form is available at:

www.irs.gov/pub/irs-pdf/fw9.pdf

Taxpayer ID and certification is required to obtain
this government subsidy.

Blank Invoice

Required to provide your remittance address in the
State of Hawai'i.

Original Receipts

Required to provide proof of purchase.

Driver's License / State Issued ID

Required for proof of identity.

**Direct questions to the CBB Subsidy
Program office at 808.323.7578 or by
email at: hdoa.cbb@hawaii.gov**

What can you do in addition to spraying?

Host an informative gathering on your farm to learn
more about CBB Integrated Pest Management!

Email or call to schedule.
