HDOA-approved Coffee Leaf Rust pesticides for Coffee in HI

EPA Registered & Licensed in the State of Hawaii

This list of pesticide products are approved for use on CLR on Coffee in Hawaii and approved by HDOA for this subsidy reimbursement only. Relative efficacy is not currently known. It is up to the applicator/farmer to do their own due diligence regarding pesticide selection. **The label is the law**; it is a violation of federal law to use pesticide products in a manner inconsistent with its labeling. This list will periodically be updated as new products become available.
